

The Gloria Golf Academy is the leading teaching facility in Turkey.

The Special purpose built Academy Building has the very latest video analysis equipment from Swinger Plus and the latest Vector Pro Launch Monitor.

Our aim is to offer the most comprehensive golf teaching service available in Turkey all our lessons vary immensely from the Individual to the group lesson , and apart from the learning experience our Academy is one of the most welcoming and understanding places to improve your golf or to learn the game as a beginner.

We also specialise in Junior coaching, please contact the golf reception for more details of our special Junior programmes and prices.

You will find a world class driving range that can be used from both ends with a number of target greens.

The short game area is of the same standard as our championship courses with a dedicated bunker practice area and chipping green.

We also have the 9 Hole Verde Course which is ideal for Game Improvement Playing Lessons with one of our Professionals.

Finally we supply you with specially designed new player training equipment from Nike and Taylor Made to help you learn and enjoy the wonderfull game of golf.
