

Gloria Golf Academy is the leading teaching facility in Turkey.

The special purpose built “academy building” has the very latest video analysis equipment from Swinger Plus to the latest Vector Pro Launch Monitor.

The aim of Gloria Golf Academy is to offer the most comprehensive golf teaching services available in Turkey. All our lessons vary immensely from individual to group lessons. Apart from the learning experience it offers, the Academy is one of the most welcoming and understanding places to start golf or to improve your existing golf skills.

Gloria Golf Academy is also specialized in junior coaching, which you can contact the golf reception to find out more details, programs and prices.

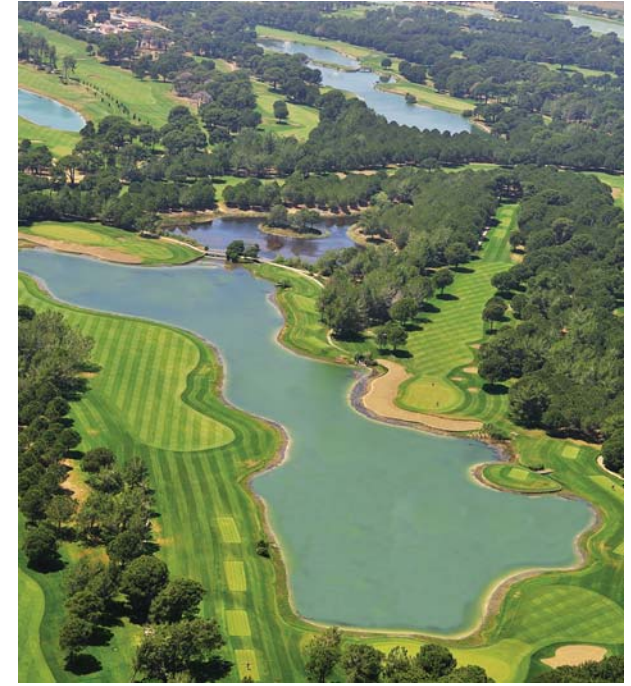

A world class driving range that can be used from both ends with a number of target greens is also present at the Academy.

The short game area is of the same standard as championship courses with a dedicated bunker practice area and chipping green.

As for the 9 Hole Verde Course, it is ideal for game improvement playing lessons with one of our Professional teachers.

We supply you with specially designed new player training equipment such as Nike and Taylor Made to help you learn and enjoy the wonderful game of golf.
